## Cheat Sheet for Medicare.gov/find-a-plan

**Step 1 of 4: Enter Information** - Have your Medicare card? Use that information for a Personalized Search. Otherwise, use the General Search.

**Step 2 of 4: Enter Your Drugs** - Have your prescription medications handy, or fill out this list in advance:

<b>Drug's name</b> Be careful to spell drug names correctly	<b>Drug's Form</b> Tablet or Capsule? Inhaler? Patch?	<b>Brand-Name or Generic?</b> Circle One	<b>Strength</b> Also Called Dosage	<b>How Often Do You Take It?</b> Example: "2 Per Day"
____		B / G		
____		B / G		
____		B / G		
____		B / G		
____		B / G		
____		B / G		
____		B / G		
____		B / G		

Additional prescriptions on the back? Circle: Yes / No

### Retrieve My Saved Drug List:

Copy this from the site to pull up your list again later.

Drug List ID: \_\_\_\_\_

Password Date\*: \_\_ / \_\_ / \_\_\_\_\_

\*Today's date by default. If you want to use a date other than today's, try your date of birth.

### Step 3 of 4: Select Your Pharmacies

List the 2 pharmacies you go to most often.

Pharmacy Name	Street It's On / Location
