

Community Lunches / Congregate Meals

Congregate meals are offered to seniors age 60 and older in the communities of Seeley Lake, Condon/Swan Valley and Lolo.

To participate in a congregate meal, seniors are asked to complete a short intake form at their first meal. Completing this form helps the rural site you choose to maintain funding as a congregate site. Your donations at a congregate meal help support this program as well. Please consider donating an appropriate amount based on your income.
