Art in the Moment is a monthly program to promote connection and companionship for individuals living with early-stage memory loss and their care partners through art. Entering its fifth year, the Missoula Art Museum is partnering with the Alzheimer's Association to bring the program to the comfort of your own home on ZOOM. This interactive art program will allow participants to engage with others while viewing and creating original works of art with the Missoula Art Museum's education team and professional teaching artist, Bev Glueckert.

No cost to participate. Art supplies will be delivered.

Please register in advance.
